

GVM Kilmallock Special Conditions of Sale

1. It shall be the Vendor's responsibility to ensure that their animals are declared as being eligible for export at the time of sale. No liability shall rest with the Auctioneers for failure to declare any animal as being export tested.
2. All stock entered or sold in the heifer section are deemed to be maiden heifers unless otherwise stated at the time of sale and the vendor shall be responsible for any claims arising.
3. In the case of 'In calf heifers not in calf', this must be notified to the Auctioneers within 3 months of sale.
4. Culled cows are sold without guarantee.
5. Where the vendor/agent is not present to sell livestock, (other than in the calf ring), the livestock will not be sold 'Subject to owners consent' unless a reserve has been given to the Auctioneers prior to sale.
6. In the calf ring, all calves will be on the market from the commencement of the sale and will be sold even if the owner is not present. However, the Auctioneers may allow a specified number of lots to be re-run in any given sale.
7. In the calf ring, purchasers have one hour from the time they buy a calf to examine it. If a purchaser finds any fault or defect, he shall report it immediately to the office. In the event of no complaint being made, within the period of one hour from the time of purchase, the purchaser will be obliged to retain the calf.

Dairy Sales

8. All complaints regarding broken engagements must be notified to the Auctioneers within four days but in any event not later than 12 noon on the Thursday following the sale. All dairy stock must be inspected by the purchaser within one hour after the finish of the sale and complaints must be lodged immediately with the Auctioneers.
9. Animals must not be drawn prior to sale, only after the fall of the hammer can an animal be drawn by the purchaser.
10. All dairy stock are sold as being free from inhibitors, otherwise a declaration will have to be made.
11. All dairy stock are assumed to be free, fair and genuine.
12. All dairy stock are assumed to have a cell count of less than 400,000, otherwise a declaration will have to be made.
13. Regarding sale of bawns, all animals must be engaged in-calf or calved. Animals milking only in three teats must be announced. Announcements such as running with the bull or in-calf to the half-bred cannot be accepted.
